## Notification of Non-Compliant Appeal Brief (37 CFR 41.37)

Application No.		Applicant(s)				
10/780,323		SZYMANSKI, DAVID				
	Examiner	Art Unit				
	Clark F. Dexter	3724				

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--The Appeal Brief filed on 08 September 2009 is defective for failure to comply with one or more provisions of 37 CFR 41.37 To avoid dismissal of the appeal, applicant must file anamended brief or other appropriate correction (see MPEP 1205.03) within ONE MONTH or THIRTY DAYS from the mailing date of this Notification, whichever is longer, EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136. 1. The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order. 2. The brief does not contain a statement of the status of all claims, (e.g., rejected, allowed, withdrawn, objected to, canceled), or does not identify the appealed claims (37 CFR 41.37(c)(1)(iii)). 3. At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)). 4. \( \tag{a}\) The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; and/or (b) the brief fails to: (1) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(v)). 5. X The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi)) 6. The brief does not present an argument under a separate heading for each ground of rejection on appeal (37 CFR 41.37(c)(1)(vii)). 7. A The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(viii)). 8. The brief does not contain copies of the evidence submitted under 37 CFR 1.130, 1.131, or 1.132 or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered by the examiner, as an appendix thereto (37 CFR 41.37(c)(1)(ix)). 9. The brief does not contain copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief as an appendix thereto (37 CFR 41.37(c)(1)(x)). 10. ☑ Other (including any explanation in support of the above items): Re item 5, the objections to claims 15 and 18 are not "Grounds of Rejection to be Reviewed on Appeal" and thus should not be included in this section, Section VI, or in the Argument section, Section VII; further, the description of the rejection of claim 5 is inaccurate and is missing the listing of two references ("Abbott" and "Carlton"). Re item 7, as previously stated in the Office communication of April 8, 2009, the withdrawn claims are not appealed claims and thus should not be included in the Appendix, Similarly, the canceled claims are not appealed claims and should not be reflected in the Appendix. Further, it is noted that the status identifiers should not be provided in the Appendix since the claims are considered to be copies of the currently pending versions of the appealed claims. /Clark F. Dexter/

Primary Examiner, Art Unit 3724
